

Region VI Senators:

The first 2 months as your Region VI VP has been a great experience. Debbie and I have had the opportunity to visit many of you and are enjoying the chance to "Share the Experience".

July 24th through the 26th I visited the Illinois JCI Senate at their picnic in Okawville. Yes I know this is Region V but I like to golf and couldn't turn down the chance to golf with the Region V Senators. The IL JCI Senate were great hosts and I really enjoyed sharing stories and plans with Region V VP Doug Dempsey #44206.

August 1st I went to Lincoln Nebraska for the Annual R. Gordon Hope Return the Favor Golf Tournament. The NE JCI Senate showed me a great time and Marilyn Mueller #51429 kept the peach flavored Fresca cold!!! President Mike Francis #66144 and I won the tournament, thanks Mike for carrying us to victory. We then went to Pat Schuster's #42614 house and had a great evening "Sharing the Experience" with the NE Jaycees.

August 7-9 Debbie and I traveled to Sioux City Iowa for the IA JCI Senate Picnic. Again the hospitality was great and Past First Gentleman Skip Hoelker hosted us for a great golf outing. The auction on Saturday night was a hoot and you will have the opportunity to witness yours truly wearing the prize navy hat that was bought for me by Mike Gill #49278. I

was told I need to model this prize hat at the Region VI Meeting in Sioux Falls.

August 14-16 I was off to Minot ND for the ND Jaycees 75th Anniversary and ND JCI Senate 30th Anniversary. WOW is all I can say!! Started the weekend with the Gary Fuchs Funds For Families golf tournament. The weather threatened but couldn't dampen the enthusiasm of all the golfers and spectators. The steak lunch was great followed by the ND JCI Senate meeting. Friday evening was wonderful with many of the past State Jaycee Presidents hosting hospitality rooms around the pool. Boy the Fresca and other beverages really flowed!! Saturday morning Michelle Mosher #61744 guided President Doug Meyers #21511, Treasurer Bruce Geddes #35527, Chief of Staff Denise Lyons-Conrad #53219 and I to the International Peace Gardens between ND and Canada. The gardens were beautiful and experiencing this peaceful existence between two countries was very moving. The banquet Saturday night was very moving as the Jaycees and Senate reminisced about the past and hope for the future. The evening was capped when 10 new Senatorships were presented by National Jaycee President John Weber #65396 from ND and National Senate President Doug Meyers #21511.

August 21-23 I traveled to Spearfish SD for the Annual SD JCI Senate Bash. Friday

evening John #42828 and Marsha #47936 Dahl and Greg Kludt #60576 and I went into Deadwood to view all the old classic cars in town for Cool Deadwood Nights and had a great dinner. Saturday morning found President Arnold Stinson #66364, Dr Dan Rabbitt #49811, Greg Kludt #60576 and I on the golf course. We had a great time on a very difficult course and you need to ask Dr Dan how to play poker on the course! Our hosts for the weekend Todd #58348 and Carla #67427 Knutson did a wonderful job with the dinner on Saturday evening followed by smores and a campfire.

Saturday August 29th I took a break from parking cars for the MN State Fair so Debbie and I could attend AckerFest in Middleton WI. Vern #41864 and LaVonne #57279 Acker were the hosts for this great party. The food was great and we really enjoyed the Patsy Cline impersonator. I had the opportunity to visit with many WI Jaycees and Senators and I really enjoyed my visit with past National Jaycee President John Nygren. The weather was a little nasty but that didn't stop the excitement when Elvis entered the house. (Angie eat your heart out!) President Rhonda Stubbe #63164 and I had a chance to visit and she assured me we will see WI at the Region VI meeting in Sioux Falls.

Debbie and I are looking forward to seeing all of you in Sioux Falls October 9-11 at our Region VI Fall Meeting where we will also

be celebrating the SD JCI Senate 35th Anniversary.

Please continue to "Share the Experience" in Region VI.

Iowa JCI Senate

Greetings from the Iowa Senate!

So far, it has been a great quarter and we are ready to keep the action going!

In August, we began the month

assisting the Iowa Jaycees at the *Iowa Speedway* for the NASCAR Nationwide Series race. The Jaycees needing a total of 60 workers to help in the hospitality village(s), asked us for assistance. In total with Senators, friends and family, we had 21 representatives from the Senate working an 8 hour day. In addition to Returning the Favor, we will also receive *cash* which will help our budget. My thanks to all who represented the Senate, especially Mike Gill #49278 for organizing things on our end, Al Sweeting #45167 for providing lodging, and Newton Standridge #29407 for "empowering" our stay (I'm glad someone had a generator!)

The Iowa Senate Picnic was next up and we had about 75 attendees from South Dakota, Minnesota, Nebraska, Missouri, Kentucky and Iowa. Following our tradition, it was the hottest weekend of the summer. Thankfully, the evenings were pleasantly cooler. I thought that it was almost like attending a Regional Meeting. (With NVP Randy Young, Missouri President Boni Hart, South Dakota President Arnie Stinson and I, we could have had a mini-PIE meeting!) Thank you to everyone who attended and my appreciation to everyone who helped put this on: Mel Mayberry, Janet Van Beek #45420, Steve Gettner #63391 and Skip and Pat Hoelker #45893.

Coming up, following the Fall Board Meeting, we will be meeting with the Iowa Jaycees (the weekend of the 2nd - 4th of October) and the following weekend, we will see everyone at the Regional in Sioux Falls. (Both Regional Meetings will be closer for me to attend than anything *in Iowa* this year!)

Enjoy the beautiful September

weather - see you soon!

Minnesota JCI Senate

Minnesota hit the ground running as we started the new Senate year. We had a great board retreat where we were able to discuss plans for the new year and to talk Minnesota Jaycee President Jason Gadd about how he would like us to help the Jaycees out for the remainder of his year as president. As I stated in my last article, my theme for the year is "Mentors for Life" and the Minnesota JCI Senate plans on doing what we can to help the Jaycees in our state succeed. A bit of great news!!! The Minnesota Jaycees have been at growth for at least five months this year and are close to, and plan to, be at growth for the year.

A few Minnesota's Senators were treated to great Iowa hospitality at their picnic in August. I look forward to being able to return that same hospitality as Senators from around the region travel to Rochester to attend our fall meeting in conjunction with the Jaycee convention in September. Minnesota is also looking forward to the possibility of hosting the National Fall Boards in September 2010, or

supporting others in our region in their bid attempt. This would be a great way to showcase our state/region and show the rest of the nation a little bit of Midwest hospitality.

I am looking forward to seeing everyone in September and October at the Fall Regional meeting in Sioux Falls, SD and Fall Boards in Pittsburgh, PA. Let us all remember how we got to be Senators and become "Mentors for Life"

Missouri JCI Senate -
"Membership Has Its Privileges"

September is here and I am now having more fun than I've ever had in the Senate. Each day I am reminded what a privilege it is to enjoy the friendships I have made since I joined the Missouri Jaycee Wives "back in the day"!

The first weekend in August, Ed Hart #28991, Earl #28243 and Mary #43930 Sawyer and I took a trip up to the Iowa Picnic and spent a couple of days with friends from all over Region VI. It also happened to be Pat Hoelker's #45893 birthday. We had a great time, ate lots of cookies and cake and brought some items of questionable value at the "white elephant auction". It was well worth the trip. Many thanks to Iowa president, Dr. Tom Molstad #63304 for the warm hospitality.

We ended up having about 20 senators who helped at Access day at the State Fair and then 35 Senators and family members attended the AWESOME Missouri Bash in Springfield, Missouri. We shopped in Branson, threw rolls at Lambert's restaurant and cheered the Springfield Cardinals on to Victory during a perfect weekend. We even managed to get thrown out of the pool two nights in a row. I am so proud! Many thanks go to all who worked at the fair and to Randy Johnson #56636 for all his hard work on this social. I heartily encourage all of you to visit us at the Bash next year.

This past week, we have been busy helping the Mission Inn Jaycees skewer beef and chicken kabobs for the Japanese Festival that will be held in St. Louis Shaw's Garden on Labor Day weekend. Larry Kenney #32967 and Mike Schaeffer #55456 have done a great job on this project. If you are interested in a beautiful setting and learning more about the Japanese culture, you should visit us that weekend. You can always stay at my house!

Speaking of visitors...The Missouri JCI Senate is looking forward to a visit by U.S. JCI Senate President Doug Meyers #21511 at our September meeting in Jefferson City, the Missouri capitol. Denise Lyons-Conrad #53219, Presidential Assistant will also be our guest. We plan on keeping them busy and showing them all the privileges of being a Missouri JCI Senator. We are also anticipating National Region VI Vice President Randy Young #46420 at our Missouri / Kansas Football Game and Holiday Social in Kansas City. National Administrative Vice President Mike O'Connell #40225 will also

enjoy Missouri hospitality that weekend. We plan on showing EVERYONE a great time.

As always, during the holiday season, we look forward to counting our blessings and remembering that we are truly privileged to live in America and to have each other for friends. Please remember that our doors, as well as our hearts, are always open to anyone who would like to pay us a visit.

Happy Fall, Fellow Senators.

Where did our summer go so quickly or better yet, did we even have one? I can't believe that fall is in the air already. We're starting to see some of the maple trees turn their bright colors already. I'm sure there are many of you who are in agreement with me when I say that I'm definitely not looking forward to another cold and snowy winter like the last couple that we've had up here in the

northern part of the country.

Our last meeting was in May, which seems like a long time ago. There were a few of us Senators that went camping with the Jaycees for their annual Superstars event the end of July hosted by the La Crosse Jaycees. Although we never had a team, we had a lot of fun watching everyone else compete. The Greenfield team came in first once again this year. I have to admit, the highlight of the whole event was watching our daughter jump or should I say fly into the haystack to find a needle. We were at the same campground in 2003 and it was very nice to come back to it once again. For all of you who attended LaVonne and Vern's annual "Ackerfest" the end of August, I hope you had as much fun as we did. The weather did not cooperate as it rained and was very cold, but that didn't stop anyone from having a great time until almost 5:00 a.m. Both Patsy Cline and Elvis sang for everyone along with a D.J. who entertained everyone till those wee hours of the morning. La Vonne and Vern once again treated everyone to their prime rib and home made potatoes along with many other things that guests brought.

A special thank you to our V. P. Randy and his lovely wife for attending. Matt and I didn't get there until 7:00 p.m. and I didn't even see Randy until it was almost time for them to leave. I'll bet there were over two hundred people in their big house and back yard, including over 20 Wisconsin JCI Senators. I hope you both enjoyed the event as much as everyone else did and thank you so much for attending.

Our next Senate get together will be our fall meeting coming up September 12th at the Best Western Riverfront Hotel in La Crosse. I have booked a suite and will have lots of space for everyone to sit, visit, and eat lunch before our meeting which starts at noon. My room number is 260 for anyone wanting to attend. We will be discussing a fall clean up date for Wisconsin Badger camp and putting a committee together to try and do a spring fun event for the Jaycees which will be hosted by the Senate. This was my third goal as President and I would really like to see us "get-r-done" before my term is up next May. In speaking with some Senators from Minnesota and Iowa, they are planning on attending our meeting, so I look forward to seeing them as well as many other Senators from the state.

Matt and I will be celebrating our 25th wedding anniversary on Saturday, October 3rd. We will have a party down at the Jaycee pavilion on St. Feriole Island right across from the ball diamonds. All Senators are invited and are more than welcome to stay the night. We have room at our house and our daughter manages the Brisbois Motel in Prairie for anyone that wants to stay there as well. Just let me know ahead of time, so I can book you a room. October is the busiest month for tourism and the motel books up quickly, so please let me know soon if you would like to have me get you a room. We'll have lots of food, beverages and fun reminiscing about the past quarter of a century with one another. It just seems like yesterday. We would love to have you come and help us celebrate. No gifts please, as your presence is present enough.

I know I'm looking forward to attending the upcoming Senate Regional in Sioux Falls the weekend of October 9th - 11th. It should be a beautiful time of year

up that way and I'm hoping for a good turn out of Wisconsin Senators. We have reserved a couple of rooms for the weekend. The deadline for registration is coming up fast, so please think about attending.

Well, I believe that about sums up the events of the Wisconsin Senate for now. If there is anything you need or would like to ask about please feel free to give me a call on my cell (608-732-4568).

Senate Foundation

Dear Region VI Senators,

Hard to believe that today is the first of September and soon we will be off to Pittsburgh and then, Welcome to Sioux Falls. I have been back to work for 2 weeks now and the weather has been as low as 35 some mornings!!! BRRR I am not ready for that.

So lets concentrate on something that is more fun!!!! This year the US JCI Senate Foundation is making an effort to keep our members updated on where their standings are in the foundation. We realize the economy is tough right now but we are doing something positive with our donations. The future of our youth is in your hands and again with the state of the economy, some of those students will not have a future.

You are a caring and sharing group of people and that is shown each time we meet. We ask for your help and donations and in return please let us know what we can do for you. We are only an e-mail, phone call or texting away.

I have a number of items for the Raffle, but we are always looking for other items to add to the list. As in the past, raffle tickets will be sold, then the drawing will take place on Saturday evening with the winning tickets being taped on the items.

In case you would like to know how much money you have in your Foundation account or your State's Foundation account, Julie and I will be ready and able to assist you with that info.

As always, there will be Foundation applications available for those of you who are not a member but wish to join the Foundation.

Looking forward to seeing all of you in Sioux Falls and some of you in Pittsburgh later this month.

States Party 2010

Wow! After a great summer and celebrating our North Dakota Jaycee 75th Anniversary and our ND JCI Senate 35th Anniversary we are now ready to begin planning for the Regional's State Party Booth in Concord, CA.

Have you heard that National President Doug Meyers likes Star Trek? Well, all the booths at next summer's

convention will have a Star Trek theme. "Trekkies unite!", as they say.

We have some plans to use the national theme of Bridge to the Future with our Regional theme of Sharing our Experience. So, we are calling all Region 6 Star Trek fans and asking you to join us at our Friday night meeting in Sioux Falls Regional Meeting. Do you have costumes, do you have technology we could use, do you have set design ideas??? Watch your old movies to get current on the lingo and costumes before the meeting. What did these trekkies eat or drink????

We may need lots of help in Concord to set the booth and food up. So, please sign up to be on our committee. If you cannot be in Sioux Falls, please contact us with ideas or join our committee.

Live Long and Prosper!

National Fall Board Meeting Bid

Region VI Senators

We discussed the possibility of being a host to a National Fall Board Meeting - those present in Atlanta asked that we proceed with soliciting information for this event. This event would be a REGION VI Bid, not just one state - we would ALL have a interest in the event.

We have four properties that are interested in hosting us for our REGION VI Bid to host a National Fall Board Meeting September 2010 - Omaha - Des Moines - Minneapolis Each of these properties has facilities that will work for us - EACH has their pluses, we will complete the gathering of information and share with the State Presidents and their Advisors very soon.

If you have questions and wish to direct them to either Vice President Randy Young or myself. Please contact us.

Thank you,

TWO THOUSAND ONE, NINE ELEVEN (2001-911)

Two thousand one, nine eleven
Three thousand plus arrive in heaven
As they pass through the gate,
Thousands more appear in wait
A bearded man with stovepipe hat
Steps forward saying, "Lets sit, lets chat"

They settle down in seats of clouds
A man named Martin shouts out proud
"I have a dream!" and once he did
The Newcomer said, "Your dream still lives."

Groups of soldiers in blue and gray
Others in khaki, and green then say
"We're from Bull Run, Yorktown, the Maine"
The Newcomer said, "You died not in vain."

From a man on sticks one could hear
"The only thing we have to fear.
The Newcomer said, "We know the rest,
trust us sir, we've passed that test."

"Courage doesn't hide in caves
You can't bury freedom, in a grave,"
The Newcomers had heard this voice before
A distinct Yankees twang from Hyannisport
shores

A silence fell within the mist
Somehow the Newcomer knew that this
Meant time had come for her to say
What was in the hearts of the five thousand plus
that day

"Back on Earth, we wrote reports,
Watched our children play in sports
Worked our gardens, sang our songs
Went to church and clipped coupons
We smiled, we laughed, we cried, we fought
Unlike you, great we're not"

The tall man in the stovepipe hat
Stood and said, "Don't talk like that!
Look at your country, look and see
you died for freedom, just like me"

Then, before them all appeared a scene
of rubble streets and twisted beams
Death, destruction, smoke and dust
and people working just 'cause they must

Hauling ash, lifting stones,
Knee deep in hell, but not alone
"Look! Blackman, Whiteman, Brownman,
Yellowman
Side by side helping their fellow man!"

So, said Martin, as he watched the scene
"Even from nightmares, can be born a dream."

Down below three firemen raised
the colors high into ashen haze
the soldiers above had seen it before
On Iwo Jima back in '45

The man on sticks studied everything closely
Then shared his perceptions on what he saw
mostly

"I see pain, I see tears,
I see sorrow -- but I don't see fear."

"You left behind husbands and wives
Daughters and sons and so many lives
are suffering now because of this wrong
but look very closely. You're not really gone.

All of those people, even those who've never
met you
All of their lives, they'll never forget you
don't you see what has happened?
Don't you see what you've done?
You've brought them together, together as one.

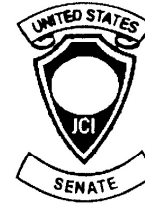

With that the man in the stovepipe hat said
"Take my hand," and from there he led
three thousand plus heroes, Newcomers to
heaven
on this day, two thousand one, nine eleven
