Positive Programming

We had a couple social projects and one important fundraiser for scholarship funds this quarter. Our newsletter continues to outstanding, doesn't it? – Great job – Tonya. I missed the social near Kansas City for an annual vacation in Sanibel Island, FL but I heard it was a great time and lots of gratitude goes out to Amy Munoz at Weston Brewery. It was great for an event on the West side of the state! Thanks too for all those who helped out at the Casino night in Columbia helping the Southern Boone Jaycees and raising monies for one of the best needs of our organization to provide scholarships to high school students furthering their education. Many thumbs up for Gerry Moore who again chaired the MU vs. IL game social – the location was outstanding, the attendance was wonderful and I bet based on some quick calculations we did better than break even! Gerry, it was wonderful. Plus, MO JCI Senate can be proud that our own Missouri won the BRAGGING Rights again this year ...

M-I-Z...Z-O-U.

Upcoming this month is the General Membership at the [Lake of the Ozarks – January 18-20, 2013 at the Country Club](#). If you haven't gotten registered and want to, just contact one of the officers or Ken Risley for registration. You, however, don't have to register to come to the

[Senate Meeting \(its free\)](#) and it only costs \$15 (that is for all weekend) for Senate Hospitality. So plan now to attend.

Hope to see you get away from cold Missouri to attend a winter get away to [San Diego January 25-27, 2013](#) for US JCI National Board Meeting and then plan to travel to meet in [Watertown, SD April 12-13 Region VI meeting](#) led by our very own Donna Delaney as the Region VI Vice President.

Other upcoming events will be announced as planned and chairman volunteer. If you are looking for new events in your area, I encourage you to take a step forward and help plan it...let President Michele or any officer know of your desires. YOUR Senatorship is an HONOR but the privileges are what you make them to be – socializing, helping Jaycees, socializing, funding scholarships, socializing...it is HONOR and one you can make FUN!

I would feel remiss not to mention one who certainly "Honored her Promise" of commitment to support the Missouri Jaycees, MO JCI Senate and the West St. Louis County Jaycees – Lori Vincent. I was fortunate to have her as a mentor and leader in my years of Jaycees and was looking forward to leading the MO JCI Senate with her in the near future. We will miss YOU, Lori Vincent but I know you will still be our ANGEL SENATOR helping leading the way!

All the best,

Susan

FROM THE SECRETARY:

Hope everyone has had a great holiday season thus far, and I'd like to wish all of our senators a Happy New Year! Should be a great year of activities for our organization.

I also hope some of you have had the opportunity to take part in some of the activities this past quarter. We had a fun group at the Region 6 Fall Meeting in Owatonna MN in early October. This was followed by the pre-holiday social and Brewery Tour in Weston in mid November (great job Amy!). Next up we had a good number of Senators who helped out with the Southern Boone Jaycees at their Casino Night in Columbia in early December. Finally G Moore and crew had their usual good time with the Illinois Senators at the MU-Illinois hoops game in St Louis before Christmas. Thanks also to the many Senators who helped out with work weekends at the Camp this fall.

Finally we all hope to see many of you at our next State Senate Meeting at the Lake on Saturday, January 19th. We have some important items on the agenda, and we always welcome your discussion and input. There will be excellent hospitality as well. We will have the minutes from the meeting out to everyone shortly thereafter for your review.

As always, if you have questions or comments about anything going on past, present, or future, feel free to contact one of your board members. We look forward to seeing you at the Lake or at an upcoming event.

ONTO Club

I would like to discuss at the Winter Meeting what the Missouri Senate would like to do with the Onto Club. Should I just close the account or will the Senate start a new project to raise funds to help pay the cost of Senators going to National or State Meetings. Senators could also deposit money in their account through out year and they would not get hit with coming up with a huge sum of

money at one time. I hate to close the account because it will be hard to reopen one. Please be prepared to talk about the above items at Winter Meeting.

Thanks,
Gerry Moore

2013 Missouri Jaycees President

Greetings Senators!! Well, it's official...I'm the 92nd Missouri Jaycees State President. WOW!!

I've already had some great experiences. One of which was attending the State President's Retreat at Camp Discovery in Gainesboro, TN in early December 2012. What an amazing experience having the opportunity to meet so many other State Presidents and members of the 2013 Executive Board. I learned a lot about myself...and others.

There are so many of you to thank for supporting me along my journey (too many to mention by name), but you all know who you are. I joined the Jaycees, as many say..."through the back door"...by experiencing the Senate

and all your FUN activities prior to signing up. I just want to let you to all know that I wouldn't be where I am today without those experiences. So from the bottom of my heart, THANK YOU!! I can't say it enough.

I'm so excited about working together with all of you in 2013!! Let The Fun Begin!!

Yours Always in Jaycees,

Let The Fun Begin!

2nd Annual Raffle COMING this MONTH

BIG MONEY, BIG MONEY!!

Remember the point is to donate rather than have to work some project in the HOT, HOT, Summer or COLD, COLD Winter. Kind of aligns that the Senate organization exists to help Jaycee chapters and socialize! It is **EASY**, It is **FUN** and you can **WIN BIG MONEY**. For a donation of \$20, your name will be entered for a chance to win prizes. Donations will be limited to 300 tickets. There is no limit to how many times you can donate \$20.

Based on feedback from last year, there will be more prizes!

Prizes

1st - \$500
2nd-4th \$100
5th - \$50

Person who sells the most \$50 (non-officer)
Sales above 200 tickets will increase prizes.

The program will run until at least 200 are sold or the May 2013 meeting whichever occurs last.

Make this Super Raffle a huge success to run our MO JCI Senate organization this year and possibly next year and help our various charities! Since we did the Cole County BBQ stand assistance and have not been paid yet, if the raffle money is not needed this year (and a motion is approved) we will move the monies forward to next year.

I am looking for people to help sell tickets!

Bid for Region 6 Spring 2014 Meeting

As many of you are aware, the Missouri JCI Senate is preparing a bid to host the Spring 2014 Region 6 Meeting in Kansas City. We will be discussing this bid in detail at our state meeting on Jan 19th. Here are some of the highlights as of now.

The meeting is planned for the weekend of April 11-13, 2014. The proposed location is the Ramada Conference Center KC, near I-435 and Front Street. This hotel was formerly The Park Place Hotel.

Registration for the weekend is \$65 in advance, \$75 after March 10th. Room rates for the weekend are \$83 a night, which includes Thursday if anyone wishes to come early (more on this below). Room rate includes breakfast at the hotel.

There is an area of the hotel (third floor), that has several conference rooms we will use for various activities, including hospitality (can bring our own food, drink, etc into this area), silent auction, card game area, and breakout meetings. There is an outdoor balcony that wraps around these rooms, which overlooks a lake, that would be usable as well if the weather cooperates. The cost for these rooms is built into our regular hotel room rate.

Combo of spaces for our use on Saturday for the meeting, lunch, and other breakout sessions as needed.

Original plan was to do a lunch at the hotel Saturday afternoon. However a number of people have suggested that the main meal on Saturday should be

a dinner, so we have some options being looked at. Still awaiting cost figures on a couple of these.

As a result, there will be a couple different budgets prepared. We have a tentative one right now based on doing a lunch on Sat, with conservative costs for weekend hospitality, and some misc supplies needed that gives us a good profit based on variable levels of attendance. Dinners are usually a little more costly, so doing that would obviously lower our profit a bit.. I will be sending out a new budget report after we get our cost updates on these dinner options. Will have Ken send an eblast in advance of the meeting.

We are also considering some optional events Thursday and Friday during the day, such as a golf outing or other activities for those who may be interested in coming to town a day early. These items, such as golf, would be an additional cost.

There will be discussion on this at the meeting on Jan 19th at the Lake. Your input would be appreciated, so we would like to see you at the meeting if possible. Our bid will be presented at the next Region 6 Meeting in April in Watertown, SD. We would encourage all Senators to come to this event to help support our bid. If you have any questions, or would like some additional info from me, please let me know.

Thanks -
Jim Pendleton, Jr.
