MISSOURI JCI SENATE 2019-2020

Volume 1, Issue 1

July 15th, 2019

## The Flamingo Kid

Greetings from the " Flamingo Kid " ,

I would like to start by thanking everyone for a great year. Missouri kicked butt, bringing home awesome awards from the Portland meeting. Congrats to Paul Myers #72173, David Teachout # 68700, Susan Hatcher # 58143, and Dave Delaney #41203 on your accomplishments, and to the entire state for the Roadrunner and RTF awards.

I am honored to be elected as the 2019-2020 MOJCI President. There is a high standard to follow and I will give it all I have. I will need the support of every senator we have to make it another successful year, and we can do it. Like I said in my speech, my main plan is KISMIF... Keep It Simple Make It Fun. There are goals that are set for the year, we have ideas that can turn into reality, there are so many opportunities for the Senate to help with the state members through working and mentoring. When one door closes another opens, our fundraising has just proven that. We are adding working

## The Vice Pinky

Hello Missouri Senators. I am excited and looking forward to serving you this coming year as your Vice-President. Thank you for your votes of confidence. I want to thank everyone that made the recent trek down to the Bootheel for the elections. I really enjoyed the time spent with you and the fellowship we shared. We hope everyone had a good time.

I would like to thank Mike Andrews #58312,

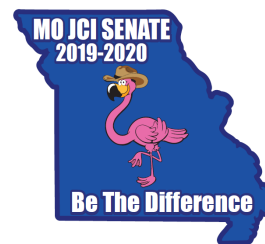

at the Sikeston Jaycee Bootheel Rodeo. More details on this will be coming in the eblasts.

Please go to the MOJCI website and look at the calendar of events, we have plenty that will be on there. Order forms for JCI products as well as our MOJCI tee shirt.

I cannot write an article without saying how great this years BOD is. Everyone is still rolling from last year and we don't want to stop. As we show we can "Be the Difference" , lets climb on that "Crazy Train" with our conductor and newly elected Region 6 VP Dave Delaney, and keep Mo at the top of the states. I thank you again for your support and I will see you soon.

our current national Treasurer, for coming down and spending the weekend with us. I hope everyone had a chance to chat with him. He is a wealth of good information on our organization and bourbon.

As always, there are several Jaycee and Senator projects happening across the state. Social media is a great way to keep in touch with all the activities. I encourage all of us to participate in any way that we can. In the

Bootheel, we are in full swing preparing for the 67<sup>th</sup> Sikeston Jaycee Bootheel Rodeo. Our neighbors in Jackson, Matthews and Portageville always have opportunities for us, as Senators, to help out and gain RTF credits.

One thing I am big on is encouraging each of us to stay in as much contact with our local chapters as possible. We are their Mentors and connections to the past history that they are currently building on. Our experiences and trials have brought the projects they are doing to the levels they are now. We are the holders of the traditions and protocol they are either keeping or losing.

Flyers and registration information for the next two meetings, Springfield and Kansas City, are available. Be sure and send you registrations in and secure your rooms while

they are still available.

On a personal note, since election time last year, I have spent another year with my wonderful wife, Kathy. I thank her most every day for supporting me in this course in my Senator career. Our granddaughter is currently working on taking more than three steps at a time. And yes, I DO carry pictures...lots of pictures.

Again, thank you for the opportunity to serve you this coming year as your Vice President. I hope to see you all soon somewhere in this great state of ours.

### Flamingo Nest Egg

Hello Senators!

#JeffCityStong

What a crazy month we have had in Jefferson City. The flooding is still a major concern in our town, and the citizens are recovering from the May 23<sup>rd</sup> tornado. The Jefferson City Jaycees were quick to respond by delivering snacks, water, and labor for cleanup and tree removals. I can't say it enough, how proud I am of my local chapter and this community. Thank you to everyone who texted me in the middle of the night and the days after to see if I was okay. My friends are my family.

I am looking forward to Flamingoling (love this word) with many of you at the Jefferson City Jaycess, Cole County Fair, Access Day, Springfield Senate Meeting and the US JCI

BOD Meeting in Kansas City.

September renewals will be right around the corner. I am a big fan of Life Memberships and want to encourage those who are not life members to consider it. It is nice to not have to worry about paying dues every year!!!

With all the rain I have only been able to go fishing twice this year.... I have caught two fish so far. I'm trying to beat my number of 23 from last year!

Happy summer to ALL!!!

### Feathery Scribbling's

Hello Missouri Senators,

I hope you all are as excited about this coming year as I am. I wanted to thank you for electing me to represent you as your Secretary for 2019-2020. I served in many capacities as an active Jaycee and when I was approached about continuing to serve as a Senator I was honored. I have plenty of experience taking notes and producing minutes as I spent about ten years as the executive assistant for the Missouri State Board of Accountancy. While working there was when I decided I wanted more and started my higher education adventure. I always seem to want more and didn't stop until I received my Master of Business

Administration Degree. I currently work for the Missouri House of Representatives in House Appropriations working on the state budget. I live in Jefferson City Missouri with my husband Jason and we have been married 22 years in June. We have an almost sixteen year old daughter Aubrie and our one year old puppy Nova.

Again, I am excited to be a part of this and see what President Chris has in store for all of us this year and look forward to seeing you all in the upcoming events.

Have a wonderful summer,

Julie Morff, #71917  
Secretary

### Flamingo of a Different Color

It was a great honor to serve this last year as State President. I wanted to start off by thanking everyone for all the support and effort they put into the organization as a whole. It was a fun year and we couldn't have been as successful without the effort of everyone in the state. I think that all of our Mentors would be proud of the results we had this year.

The state finished off strong being recognized in several categories for the year end awards. The state was recognized as one of the top states in both RTF and Road Runner. Dave DeLaney #41203 was

recognized as an outstanding National Appointed Officer, David Teachout #68700 was recognized as outstanding Treasurer, and I received recognition as Outstanding State President.

We weren't finished there either. Susan Hatcher #58143 was Elected as our 2019-2020 National Secretary and Dave DeLaney #41203 was elected as our 2019-2020 Region VI Vice President.

### Missouri JCI Senate Foundation Fundraiser

Thank you to all who donated to our foundation fundraiser at the Annual Meeting in Sikeston, MO. The foundation was organized to raise monies for scholarships. I am happy to report that we raised \$655. A special thanks to the foundation members who donated baskets & items for the brown bag raffle Wendy Cox #69240, Mary #43930 & Earl #28243 Sawyer, Carol Martin #43922 and Donna DeLaney #55560. The goal was \$500 so it was a huge success thanks to all who contributed. We had several senators who

donated \$50 or more towards becoming a foundation member which is only \$100.

The foundation voted last May 2018 to fund one scholarship for the Missouri JCI Senate and that was disbursed to the winner Tammy Yang who will be attending the University of Pennsylvania.

Thanks again to all senators who support the Missouri JCI Senate foundation.

### Donation Request for the Kansas City National BOD Meeting

Dear Missouri JCI Senate Member:

From September 19 – 22, 2019, we will be hosting the US JCI Senate Fall Board of Directors' meeting in Kansas City, Missouri at the Adams Mark Hotel and Conference Center.

We will host members from across the United States and around the world. There will be a business meeting and lots of time for social gathering or touring the area.

The meeting includes hospitality on Thursday evening, Friday and Saturday all day. At a minimum we will provide continental breakfast, lunch dinner and evening snacks plus drinks and open bar. MO JCI Senate is known for meeting the basic requirements and exceeding them in all areas. We NEED your help. We will also be preparing welcome bags for each attendee and planning tours for interested individuals. In order to provide all of this we are projecting costs of \$5,000 to \$7,000.

How can you help? We are looking for donations. These can be from individuals or businesses, monetary or in-kind products for

the convention. However large or small, all donations are accepted and welcomed. We will need food items, drinks, paper supplies, items for the welcome bags and the welcome bags themselves.

We will be putting together a program book, where all donors will be recognized, and also with signage in the hospitality area. A sponsor sheet is attached, as well as a committee list so that you can contact those co-chairs for specific needs as far as product donations.

We need your help not only to take care of the above, but to also attend and help with the actual labor during the event. We look forward to hearing from you. Let's make this a great meeting.

Thank you.
